

# ARound the Farm ASC

Presents an ASCA-sanctioned Agility trial

December 13/14, 2014

@ Agility at the Farm in Campton Hills, IL

## **Start line issues?**

**Contact problems?**

**Weave pole stress?**

**Green dog?**

**Nervous handler?**

**Just looking for some fast, fun courses?**

Then ASCA agility is the just what you need!

\*ASCA agility welcomes ALL breeds and mixes

\* Dogs do not need to have an ASCA registration or tracking number. If you want your qualifying legs to count for titles, then you need to become a Service Member of ASCA for a year and register your dog for a tracking number (\$10 for a service membership fee and \$10 registration for each dog).

\* You can train in the ring up to SCT (within reason – no toys or treats).

\* You don't have to start in Novice! (Legs earned at higher levels will be credited towards lower levels.)

\* ASCA Gamblers will give you experience for AKC FAST, USDAA Gamblers and CPE Jackpot.

\* Veterans and Juniors divisions are offered.

\* 24" jump height is available if you choose!

Our judge for this trial is Chet Katwyk.

Pre-entries close December 6, 2014.

Pre-entry discounts offered based on total runs per household for the weekend.

Day of Show entries accepted if runs are available.

**The premium is available on the Events page at [arfac.com](http://arfac.com).**

### **NEW – ACE Program!!!**

Any dog 18 months or older can jump one height lower than the Championship Program Height.

### **Save the dates for our future trial:**

April 25/26, 2015

June 6/7, 2015

December 12/13, 2015
